

TAHV Past President's Awards of Excellence

The Past President's Award is given to Auxiliaries who have gone above and beyond. Awards are presented in the following categories:

1. **Outstanding achievement in Hospital/Hospice In-service.** This award recognizes an on-going project benefiting patients, families, or staff of the hospital or health care facility.
2. **Outstanding achievement in Community Service.** This award recognizes an effective outreach program designated to serve a specific need of the community.
3. **Outstanding achievement in Fundraising.** This award recognizes an innovative and well-executed fundraising project. The method is as important as the amount raised.
